ATTENTION!

ALL-STAR Comics

The FLASH

Dear Boys and Girls:

This first issue of ALL-STAR COMICS is published as the result of requests from thousands of readers of "Adventure," "All-American," "Flash" and "More Fun Comics," as well as readers of "Action" and "Detective Comics."

In every mail, we receive a number of letters suggesting that we combine in one book the best features of all six of our monthly comic magazines, which constitute the largest and finest group of comic magazines in the world.

If you are not familiar with these six books, we suggest that you turn to the center spread of this issue of "All-Star Comics" and familiarize yourself with these six titles, for the BEST in comic books!

Inasmuch as "Superman" and "Batman" are each issued quarterly, as complete books in themselves (both of them are now on sale at all newsstands) we have taken what we consider two of the leading features from each of our other four magazines and incorporated them in "All-Star Comics," which we also plan as a quarterly, the same as "Superman" and "Batman."

We hope you are going to enjoy reading this first issue of "All-Star Comics" as much as you have enjoyed reading our other two quarterlies and our six monthly comic magazines.

Very sincerely, yours,

The Editors

THE SANDMAN

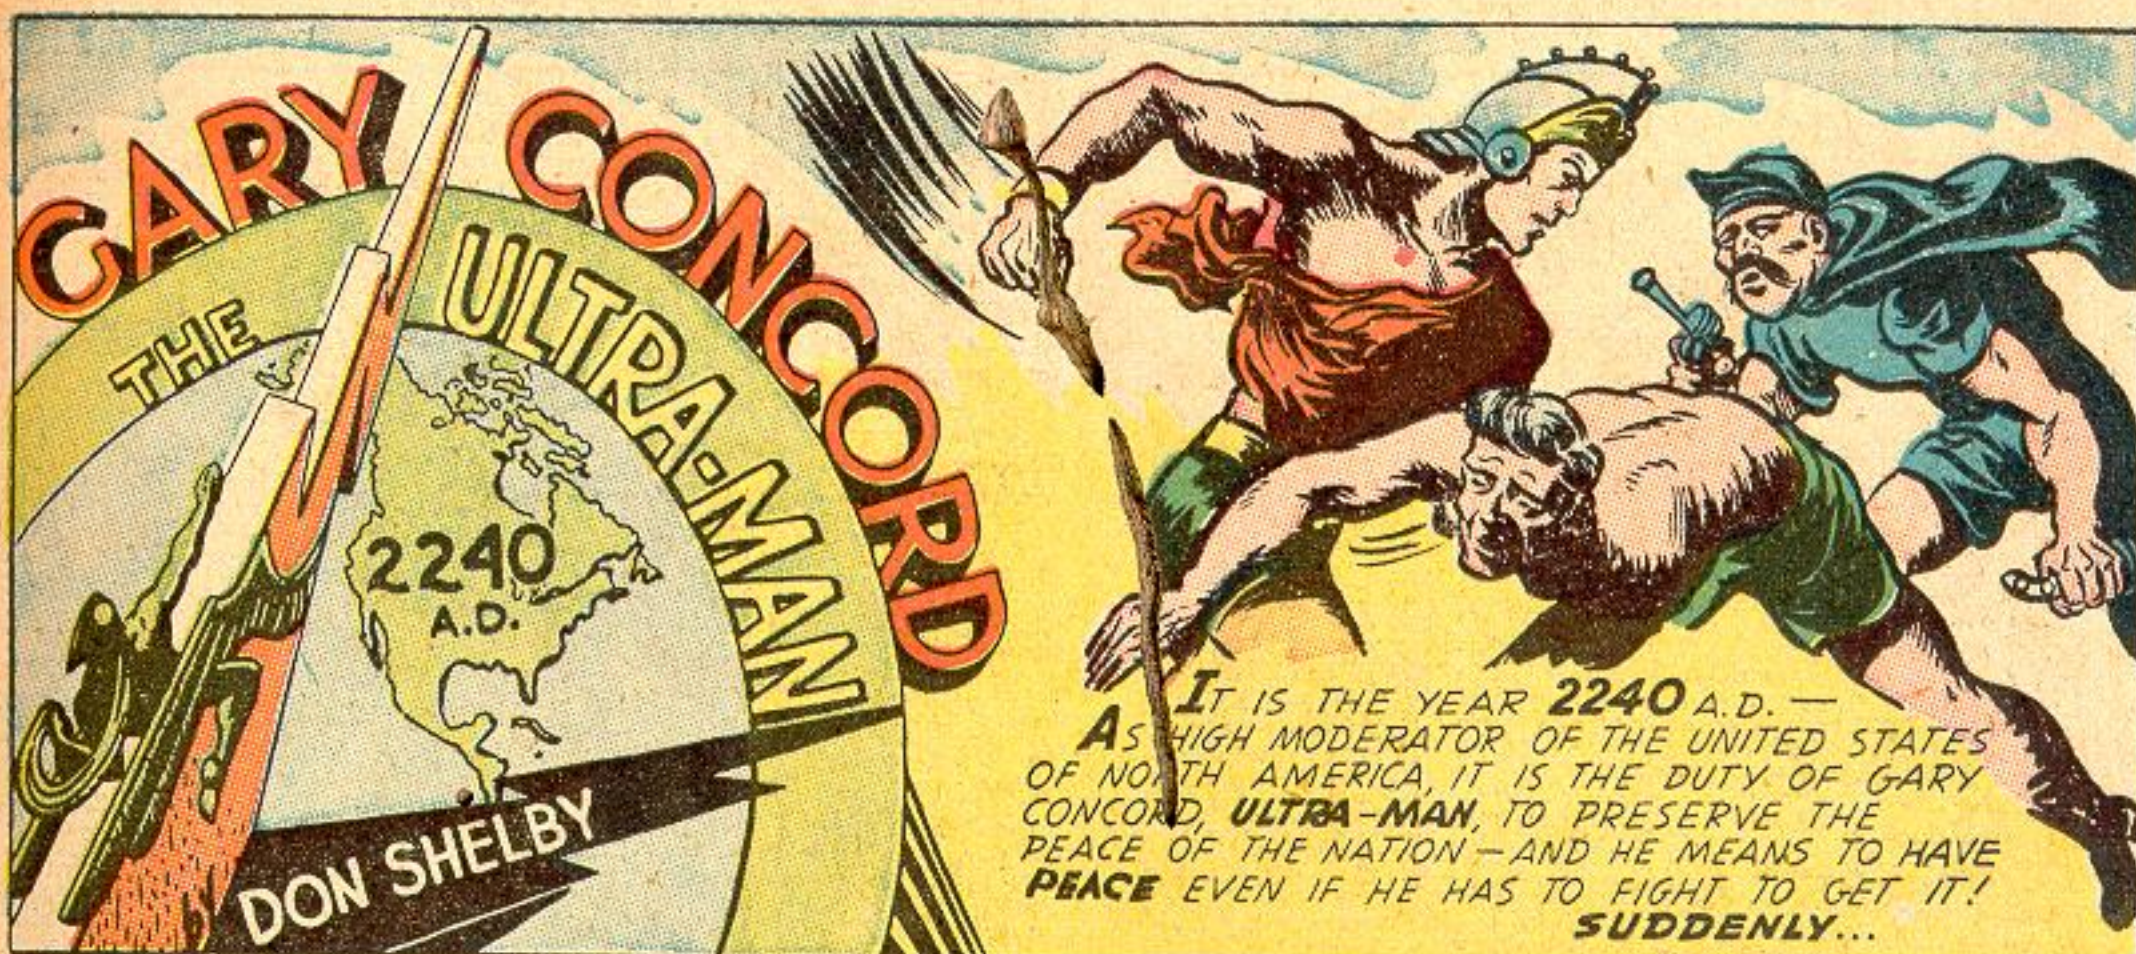

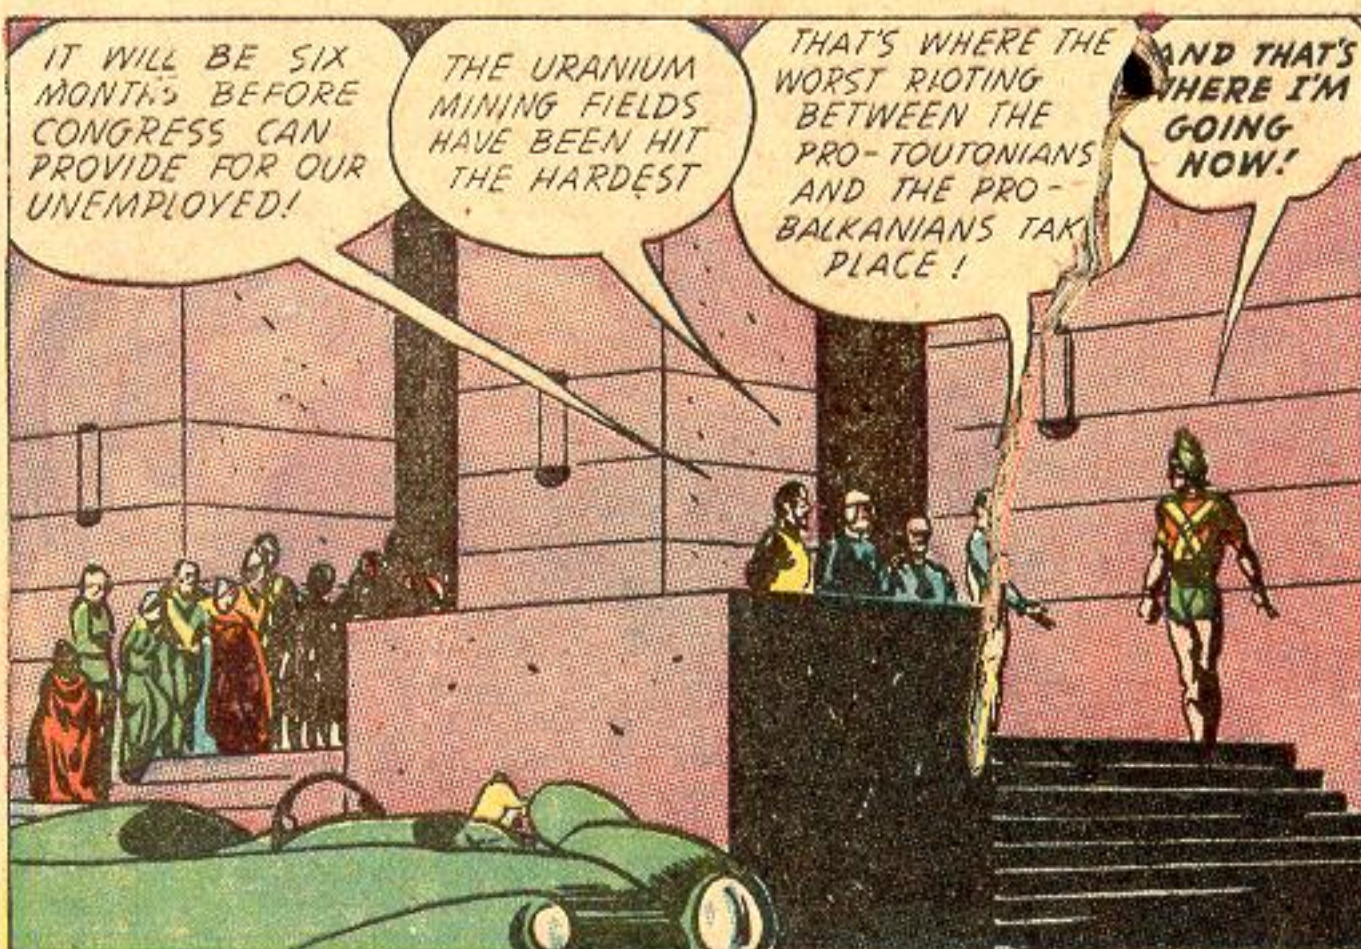

ULTRA-MAN

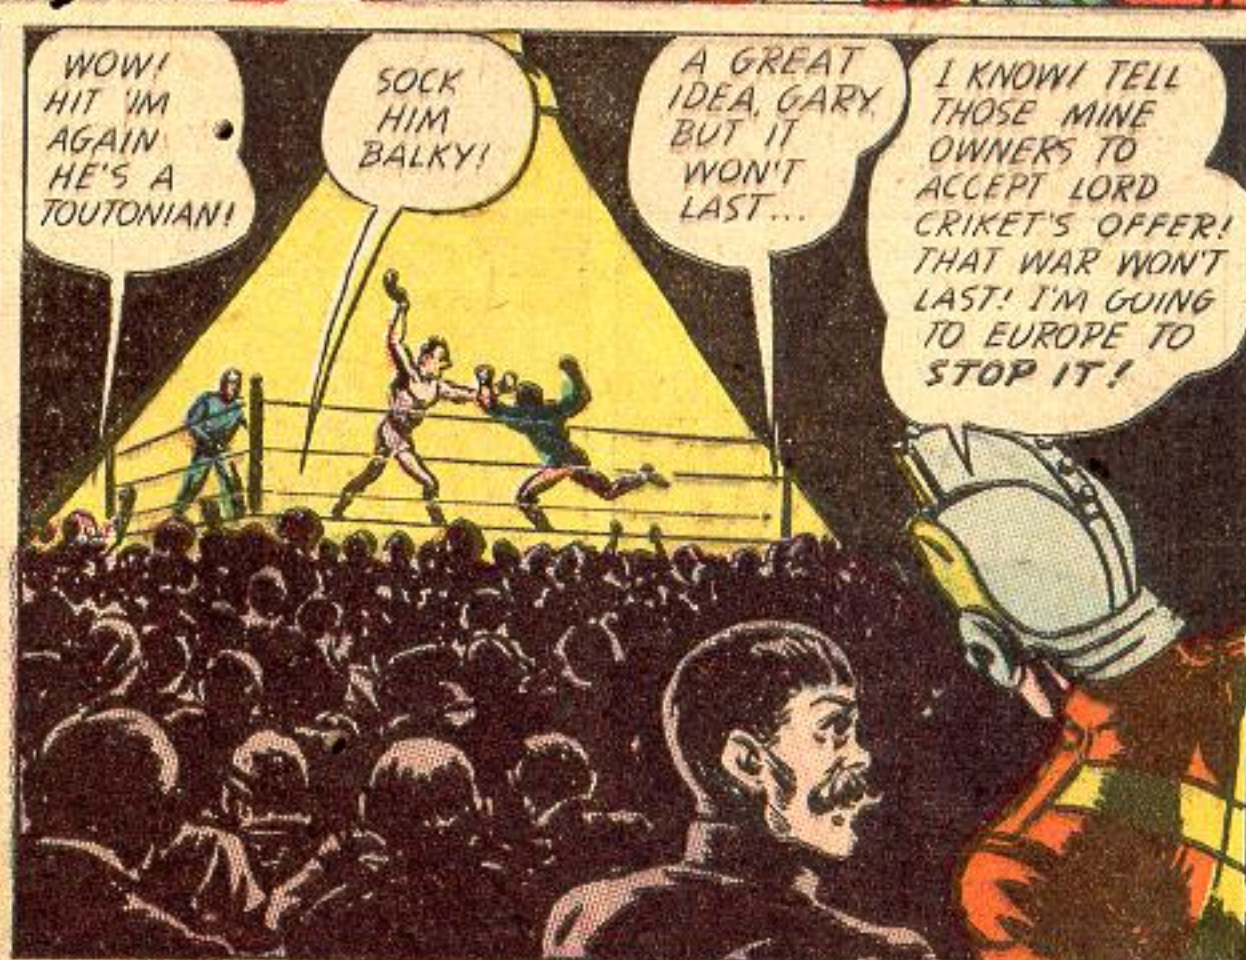

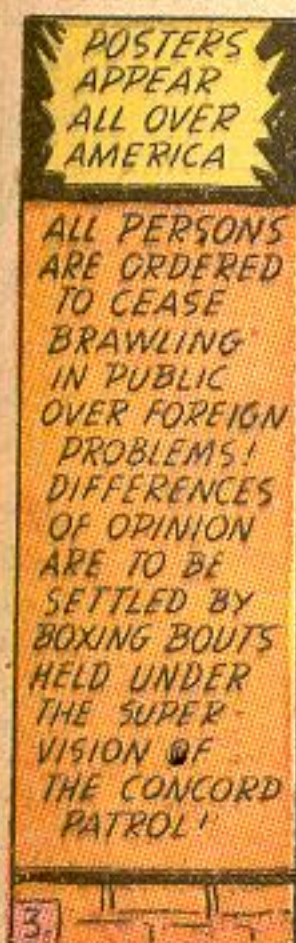

The SPECTRE

P.S. If there are any other features in "Adventure," "All-American," "Flash" and "More Fun Comics" which you would rather have us incorporate in the next issue of "All-Star Comics," we would appreciate hearing from you.
